FEATURES

FIRE RETARDANT

Mozaiclac PVC Laminates come with an intrinsic flame retardant and our laminates are self-extinguishing due to their high chlorine content. Making it the only fire retardant laminate available in the market. Thus, making your interiors as safe as possible.

UNICORE

Our Laminates are unicore i.e. the base colour of the sheet will be the same as the top colour of the sheet which enables it to blend with the interiors giving your interiors a unique look and superior finish.

TERMITE & BORER PROOF

These laminates are made out of Virgin PVC Resin, a polymer which termites, borers, and other pests cannot eat or spoil. Keep your interiors intact for ages.

ECO FRIENDLY

Unlike conventional laminates, our laminates are not made by cutting down trees and are recyclable, making them eco-friendly.

MOZAICLAM
PVC LAMINATES

ANTI BACTERIAL

Mozaiclac PVC Laminates are coated with a protective layer that makes our laminates anti-bacterial and provides a clean protective environment to your family and loved ones.

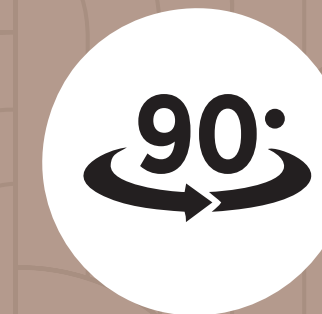

WATER PROOF

Mozaiclac PVC Laminates are totally waterproof in every sense. Dip it, soak it, wash it, our laminates remain the same as these laminates are made out of virgin polyvinyl resin.

90° BENDABLE

These laminates can be bent at 90 degrees over the edges with the use of a V Groove cutter, giving your interiors and furniture a seamless finish.

PREFERABLE FOR INDIAN CLIMATE

Mozaiclac PVC Laminates are specially crafted, keeping in mind Indian climate conditions which are harsh and extreme throughout the year. Our laminates are versatile, sturdy, and durable, making them the perfect surface partner for all your interior needs.
