ABOUT US

There is a place where everything makes sense. A place where connections are made through heartbeats. A universe of warmth where you can live and also decorate it in many different ways. It's the most important space in the world, where life happens and it's called the home.

At Labacha we have spent a lot of years designing and manufacturing handles for all types of homes. Thinking about the particular details of each space, how people live there and how we can make their lives easier. In collaboration with designers from all over the world who help us to create an ambience with personality through the use of accessories which manage to project a unique aesthetic Style.

Home should be an anchor, a port in a storm,
A refuge, a happy place in which to dwell,
A place where we are loved and where we can love.
